

I would first like to thank God for giving me the ability and talent to make good music. My moms and pops for all their love and support. C-man Mobles, Graphic, and D.J. for holding me down as "Real Harsh". Vic C, Dj 2 Hie, and Sergio Feritta for siding me banging tracks and giving my album some hits. Lovely L for believing in me and having my back. My manager, friend, and miracle worker Lauren Lorenzo for all your hard work and making things happen. My business partners Quincy and Jason for seeing and believing in the vision X-plicit, without them none of this would have been possible. To all the radio stations, record shops, magazines, clubs, and promotional companies that support me. Divisa and ZYX records for believing in a small gang. To all my family, friends, and homies that have been there over the years. My hometown Atlanta Georgia. To all the haters and doubters for fueling my fire and drive. Last but not least, I want to thank all of my fans for supporting my struggle and supporting hip hop. THANKS!!!
